### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dorothy Whelan on 7/8/04.

2. The application has been amended as follows:

In claim 8, line 3 after "time resolved fluorescence (HTRF) component," --or-- has been inserted. Further in claim 8, line 4 after "component", ", biotin, avidin, an antibody, or an antigen binding portion of the antibody" has been deleted.

Note: the line including "biotin, avidin, an antibody, or an antigen binding portion of the antibody" has been deleted because the claim recites a label which is any one of a radioactive label, fluorescent label, enzyme label, ... or a luminescent oxygen channeling assay (LOCI) component; however, biotin, avidin, an antibody, or an antigen binding portion of the antibody are not labels.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gailene R. Gabel whose telephone number is (571)
